Additionally an evening school for adults and school drop outs was also run where 18 students were enrolled. Similar schools are required in the other villages but paucity of funds has not made it possible.
- **Livelihood and Social Mobilization (Illambazar)**
Special effort was put in to create social awareness amongst the tribal villagers of Illambazar. The villagers were told about the need for education, proper medication, hygienic practices and healthy food habits. Many new Self Help groups were formed and some old inactive groups were activated. 12 villagers were provided animal husbandry training from Viswa Bharati, Bolpur so that they could take better care of their livestock. At present the Trust is closely monitoring the activities of over 40 SHGs.
- **Annual Sports and Cultural Meet in Illambazar**
The Annual Sport and Cultural function for the tribal villages was organized from 17th to 21st January 2007. The 14 villages were divided into 4 clusters based on physical proximity. The first three days saw the heats for each cluster being conducted in the villages of Rangabandh, Khayerdanga, Murgauini and Sayerpara where 1578 participants competed to qualify for the finals. 8 teams competed in the inter village dance competition while 12 teams fought for top honors in the inter village football competition. The sports finals were played on the 21st while the football competition was won by Bansuli, Kahyerdanga were the winners in dance but the best village award was taken by Murgabuni. The fact that villagers from all the 14 villages participated in the competition was in itself a success, specially where inter village harmony has been found wanting in the past.
